Join the Eagle Recreation Department as we count our steps to physical fitness! Wearing a pedometer is an easy way to track your steps each day. Start by wearing the pedometer every day for two weeks. Put it on when you get up in the morning and wear it until bed time. Record your daily steps in a log or notebook. By the end of the two weeks you will know your average daily steps. You will be required to submit your daily count every two weeks to the Recreation Department on the Facebook page or at the office. Walking isn't the only way to count steps. Other physical activities and even housework can be counted! There will be monthly prizes for the participants with the most steps and a cash prize for the long time winner. All ages are welcome to participate! Please pick up your pedometer at the Eagle Recreation Office.

<p style="text-align: center;"><b><u>FISHING TOURNAMENT</u></b></p> <p style="text-align: center;">May 7th—August 31st</p> <p style="text-align: center;">Resident: \$5 Non-Resident: \$15</p>
