Dear Town of Eagle Resident,

Badgerland Disposal is proud to announce new curbside collection service for residents in the Town of Eagle beginning the week of January 1st, 2020. Badgerland Disposal will provide recycling and refuse collection for all residents. Under the new curbside collection program each resident will receive a new 95-gallon poly-cart for their recyclables and a 95-gallon poly-cart for their trash. **All containers will be delivered prior to your start date.**

Starting the first or second week of January (see attached calendar and map), please roll the containers to the end of the driveway on collection day. Please do not use your containers prior to this date. **Containers must be 3 feet apart & 3 feet from any obstruction**, walking between containers is a good rule of thumb. Or, place one container on the left side of the driveway and the other container on the right. Please remember: **Red lid = Recycle. Your collection day will be Tuesday or Wednesday (see attached map).** **Feel free to contact us by calling 608-580-0580 or via email to townservice@badgerlanddisposal.com.** **Be sure to include your address when communicating with us to help expedite our customer service process to you.**
